Dear Kendra,

Thank-you so much for your willingness to volunteer as a campus lab assistant for the NURS 180 class in the Registered Nursing Program at MiraCosta College. You did a wonderful job portraying a real patient which made the experience so much more authentic for the freshman RN students. Your enthusiasm and positive attitude were greatly appreciated. I know how hectic your schedule is and to take a few hours to help students is commendable. Once again, thank-you for your important contribution of time and energy.

Sincerely,
